Welcome to your new timetable from May to December 2018.

This summer will once again see the reintroduction of additional services on Saturdays between Nottingham and Skegness. We'll be putting high speed trains on the route to cope with passenger demand. Take a look at the timetable for details of these services.

We've also made major changes to our London timetable as part of the wider £7 billion Government-sponsored Thameslink programme. Our new timetable will see a number of changes, which will alter connection times for passengers travelling to London via Nottingham. For further information about the programme and our London timetable, please visit [eastmidlandstrains.co.uk/May18](http://eastmidlandstrains.co.uk/May18)

If something isn't up to scratch on your journey, do let us know. We're listening to your feedback and are working hard behind the scenes to make things better. You can email, tweet or call us anytime you need to - we're here 24/7.
